

**GRAFTON COMMUNITY PARENT NETWORK AGREEMENT**

I/We want to join with Starting Point of Ozaukee, the Grafton School District, and Grafton Positive Parent Involvement (PPI) to benefit both our children and ourselves as their parents.

**Because:**

- PARENTS NEED SUPPORT TOO.
- I/We are concerned about the increasing acceptance of adolescent use of alcohol, tobacco and other drugs as a normal part of growing up.
- I/We believe that appropriate limits are important for the healthy development of our children.
- I/We believe that our children need and benefit from a unified statement of positive standards and values.

- I/We agree to the above guidelines and would like our contact information in the PPI Parent Network.
- Registration is necessary every year.
- Please print and fill out only one form per family.
- Return this form to your child's school
